## **DUTY OF DISCLOSURE**

The law requires you to tell us everything you know (or could reasonably be expected to know in the circumstances) which is relevant to the Insurers decision to insure you and the terms on which we insure you. This duty applies before you enter into a contract with Insurers, that is, before we accept your proposal and also, prior to each instance you alter or renew the Policy. Each person named as the Insured has the same duty.

**Penalty for Non Disclosure:** If you do not tell us everything necessary, Insurers may reduce or refuse to pay a claim; or cancel your Policy. If you act dishonestly, Insurers may invalidate the Policy from its beginning and not be bound by the policy.

You don't need to tell us anything which: reduces the risk; is common knowledge; we already know, or ought to know in the ordinary course of our business; or we indicate we do not want to know. If you are not sure that something is relevant, it is best to disclose it anyway.

## **PRIVACY NOTICE**

We value your privacy. Our Privacy Policy sets out how we collect disclose and handle personal information under the Privacy Act and the Australian Privacy Principals. By providing us such information you consent to these practices unless you tell us otherwise. Our Privacy policy is available at www.finsura.com.au or by contacting us on 02 9899 2999.
